

When is the closing date for applications?

The closing date is the 24th of July 2016.

Will there be a preselection?

Unfortunately we can only have 30 solo and 5 group participants in the contest. Therefore the jury will have to do a preselection if we receive more than 30/5 applications. On 1st of August at the latest we will inform you whether you are participating or not.

How can I enter?

We need the following data from you:

- A picture of you (not in costume)
- A picture/reference/model/drawing of your costume
- A questionnaire (solo/group), which you can find down below
- Your song for the stage. Please send us a complete song and tell us your preferred 30 seconds.

Please send us **all** the data we need, otherwise your application is **not** valid!

Optional:

- Pictures of you in your finished costumes if existing
- Work in Progress pictures of your costumes if existing
